Forest Fire

AJJ (Andrew Jackson Jihad)

Hey, guys. This is one of my favorite AJJ tunes and I haven t found a tab for it so i figure I d do one.

Em C

Waking from napping with a bad taste in your mouth

G I

Wishing you were sleeping you don t want to leave the house

Em

Dripping from your dreaming of a habit you renounced

G T

Get out of bed, please go away,

Em

get out

Em C

You see a liar in the mirror he s sneering in that way

G D

That makes you feel unsafe, insane, and you hate to see his face

Em C

You punch the mirror to shut him up but he won t go away

G I

He just multiplies, intensifies

Em

blades.

Am C

Is it getting better?

G D

Its really getting worse

Am C
I ll give a thousand apologies
G D

Em. C

The forest is on fire but we re gonna let it burn

We re controlling it, we ve got it handled

Thanks for your e | ----3-----|

For a thousand hurts

Em

concern.
