

I Love You

AJJ (Andrew Jackson Jihad)

C - [0 3 2 0 1 0]

F - [1 3 3 2 1 1]

G - [3 5 5 4 3 3]

Am - [0 3 2 0 1 0]

Shuffle all the **C** chords from the initial **C** - [0 3 2 0 1 0] shape to this different **G** - [3 2 0 0 1 0] shape every quarter note to make it sound more like the real song. Just go ahead and listen to the song to get the rhythm if you re not quite sure what I m talking about. It s not too difficult.

Sing it to your sweethearts :)
