

Little Prince El Principito
AJJ (Andrew Jackson Jihad)

[Intro]

G D C C/B C/A
G D C C/B C/A

[Verse]

G D
hey everything, fuck you
C
i hate everything you do to me
G D
i despise every lie i ve come to believe
C Am D
and i hate every evil thing that i see

this juxtaposition of good and bad
remind me of the best and the worst dreams i ve had
i m either to happy or fucking sad
and i can t keep up with that

and my job what a shame
just a mountain of death filling up my brain
i m always tied to the tracks of the train
desperately afraid of going insane

[Chorus]

G D C
and i d like to take advantage of a flock of wild birds
G D C
to make to make my escape from this planet
G D C
and i d like to take advantage of a flock of wild birds
G D C Am D
to make to make my escape from this planet, from this planet

[Verse]

G D
christ almighty i ve been thirsty
C
i m forever fat and ugly
G D
stumbling bumblin bastard stubbly
C
faces will always be hungry
G D C

and i don t know if i m capable of helping anyone

G **D** **C** **Am D**
i m at the mercy of emotions of my better friends, my better friends

[Chorus]

G **D** **C**
and i d like to take advantage of a flock of wild birds
G **D** **C**
to make to make my escape from this planet
G **D** **C**
and i d like to take advantage of a flock of wild birds
G **D** **C** **Am D**
to make to make my escape from this planet, from this planet
