

People Ii The Reckoning

AJJ (Andrew Jackson Jihad)

This is my favorite song by Andrew Jackson Jihad, and it s very easy to play.
Listen to the song for the rhythm and enjoy!

[Intro] **Am, C, G, F**
Am, C, G, F (hold on F for 8 measures second time)

[Verse]

Am
Nobody knows everything
G
We know this to be true
F
Everything is difficult
C G
Except what s in front of you
Am G
But it s complicated even under your nose
F
Bullshit math equations
C G
And your highs and your lows
Am
And your manic depression
G
It comes and it goes
F
Your parasympathetic nervous system reacts
C G
And you re in fight-or-flight mode

Am, C, G, F
Am, C, G, F (hold **F** for 4 measures second time)

[Verse] (same chords as 1st verse)

How s the world so small when the world is so large?
And what made the world, could I please speak to who s in charge?
Everything is real but it s also just as fake
From your daughter s birthday party to your grandmother s wake
And your bi-polar illness, it comes and it goes
Your parasympathetic nervous system reacts
And you re in fight or flight
C F

You re in fight or flight

C **G**

You re in fight or flight mode

Am, C, G, F

Am, C, G, F (hold on F for 8 measures second time)

[Verse] (same chords as 1st verse)

I ve tried to know which words to sing so many times

And I ve tried to know which chords to play

And I ve tried to make it rhyme

And I ve tried to find the key that all good songs are in

And I ve tried to find the notes to make that great resounding din

But there s a bad man in everyone

No matter who we are

There s a rapist and a Nazi living in our tiny hearts

Child pornographers and cannibals, and politicians too

There s someone in your head waiting to fucking strangle you

Am

So here s to you, Mrs. Robinson

C **Am** **G**

People love you more, oh never mind, oh never mind

Am

In fucking fact, Mrs. Robinson

C **Am** **G**

The world won t care whether you live or die, live or die

Am

In fucking fact, Mrs. Robinson,

C **Am** **G**

They probably hate to see your stupid face, your stupid face

Am

So here s to you, Mrs. Robinson,

C **Am, C, G, F**

You live in an unforgiving place.

Am, C, G, F (hold F for 8 measures 2nd time)
