ROLL ANOTHER NUMBER - Andrew Jackson Jihad

Tabbed by: bengtaaron

Tuning: Standard (EADGBE)

This is from their Daytrotter session. It s essentially a Neil Young cover with some slight changes in lyrics and progressions.

Note: it sounds extra nice if you switch up the As and Ds that end the verse lines

with a little **Asus4** (x02230) and **Dsus4** (xx0233).
