

Unicron

AJJ (Andrew Jackson Jihad)

This is the song Unicron from the Andrew Jackson Jihad/Ghost Mice split. This is

I watched him play it live. This song is short and easy to play.

E C
 And I d like to build a giant machine

G C
 That crushes the mountains and burns all the trees

E C
 And pees in the desert and dries up the seas

G C C
 And melts all the ice caps and makes nature bleed

E G C
 Because I want nature to suffer

E G C
 And I want nature to cry

E G F F F F
 And I want nature to spit in my mouth

E G C C
 And I want nature to die

E C
 And I want to be a big ball of meat

G C
 That bees can buzz around and eat

E C
 And feast on my liver and rot out my teeth

G C C

And chew on my eyeballs until I m deceased

E G C

Because I deserve displeasure

E G C

And I really want to cry

E G F F F F

And I think you should spit in my face

E G C

Because I am a werewolf
