lyrics

Were all gonna die, this is true
Its true for me and its true for you
but we could live a little longer if we put our minds to it
The light rail runs from five to eleven
Ill have your daughter home by seven
If I play my cards right we ll get real high and ride the lightning
but we cant ride all night
the city needs their money for the DUI s
and the cameras they put on the freeway to catch us speeding
April 1st 2002
I was riding my bike to school
and I was hit by a Chevrolet
but no one believed me, it was april fools day
December 25th 2008
at 3:25 AM
I m standing in the middle of a room full of sleeping men
counting them
How did I get here?
I deserve to be loved
How did I get here, what made me need this money so much?
-kazoo solo-
Who knows where we go when we die
Who cares, Im just glad to be alive
Who knows where we go when we die
Who cares im just glad to be alive
Who cares im just glad to be alive
Who cares im just glad to be alive
