Angel
Akon

Angel - Akon

This is an idea of the chords. It s basically the same four chords through the
whole song. If it s wrong, do comment.

```
C#       G#      Bbm    F#

C#               G#
I m looking at an angel
Bbm               F#
And believe me when I say
           C#          G#
She got that whole place blowing
           Bbm          F#
She got that whole place blowing
           C#          G#        Bbm          F#
She got that whole place glowing, glowing

C#               G#
I m looking at an angel
Bbm               F#
And believe me when I say
           C#          G#
She got that whole place glowing
           Bbm          F#
She got that whole place glowing
           C#          G#
She got that whole place glowing
         Bbm            F#
And she s high in the sky singing

C#       G#      Bbm
Wooh...ooh...ooh
            F#
Way above the clouds in the sky singing
C#       G#      Bbm
Wooh...ooh...ooh
            F#
Way above the clouds in the sky singing
C#       G#      Bbm
Wooh...ooh...ooh
            F#
Way above the clouds in the sky singing
C#       G#      Bbm
Wooh...ooh...ooh
            F#
Way above the clouds in the sky singing
```

```
C#          G#                          Bbm
  She got wings, she got a halo
            F#
It seems to me so unnatural
C#                  G#                  Bbm
 Cos that s one thing that I just don t know
F#
What seems to be so incredible
C#                  G#                  Bbm           F#
She looked at me took me by surprise yeaaahh
        C#                  G#              Bbm
As if she took me by the hand to some foreign land
            F#
And had me way up

C#        G#        Bbm
Wooh...ooh...ooh
                F#
Way above the clouds in the sky singing
C#        G#        Bbm
Wooh...ooh...ooh
                F#
Way above the clouds in the sky singing
C#        G#        Bbm
Wooh...ooh...ooh
                F#
Way above the clouds in the sky singing
C#        G#        Bbm
Wooh...ooh...ooh
                F#
Way above the clouds in the sky singing

C#                      G#
  Singing my song (yeah yeah)
                        Bbm
From dusk till dawn (yeah yeah)
I know you got a lot on your mind
    F#
But it won t be long (yeah yeah)
C#                          G#
  These days get better (yeah yeah)
                    Bbm
And I may be wrong (yeah yeah)
                    F#
Cuz I ll never get across the line before they make it home (yeah yeah)

C#                      G#
  Singing my song (yeah yeah)
                        Bbm
From dusk till dawn (yeah yeah)
I know you got a lot on your mind
    F#
But it wonâ€™t be long (yeah yeah)
```

```
C#                              G#
   These days get better (yeah yeah)
                        Bbm
And I may be wrong (yeah yeah)
                     F#
Cuz I ll never get across the line before they make it home (yeah yeah)

C#              G#
I m looking at an angel
Bbm             F#
And believe me when I say
           C#              G#
She got that whole place blowing
           Bbm             F#
She got that whole place blowing
           C#          G#        Bbm           F#
She got that whole place glowing, glowing

C#              G#
I m looking at an angel
Bbm                F#
And believe me when I say
           C#              G#
She got that whole place glowing
           Bbm             F#
She got that whole place glowing
           C#              G#
She got that whole place glowing
         Bbm                F#
And she s high in the sky singing

C#        G#       Bbm
Wooh...ooh...ooh
```
