[Chorus]

Am   **C**
My binoculars on
   G   **Dm**
Alone staring out of my window
Am   **C**   **G**   **F**
I see the best creation of woman that I ever saw in a long, long time
Am   **C**
Some say it is wrong
               G   **Dm**
But what if she knows that I am spying on her
Am   **C**   **G**
Would she strip down naked and entertain me
                 F
Oh my god she s doing it
G   **Am**
Taking it off (x5)
G   **Am**
She s getting naked (x4)

She threw her shirt (off on the floor)
Then threw her bra (off on the floor)
The threw her skirt (off on the floor)
Then threw her drawers (off on the floor)
I can t believe (she s getting naked) x4

I m wanting her
Get on top of her
No stopping her
She knows I m watching her
I can t believe (she s getting naked) x4

[Chorus]
