

**A Small Fruit Song Intro**

**Al Stewart**

This is only the tab for the first guitar, but it still sounds very \* the guitar part changes once he startssinging so ive just said this is the intro and ive only done the first three variations on the riff because the rest of this guitar part is similar until the singing. Gorgeous song tho.

There is a constant descending bass line so i reccommend keeping your index middle and ring fingers in the Am position and use your pinkmy and thumb for the bass line.

capo 2nd fret
