

Peace In The Valley
Alabama 3

Chords change from **G - C - G - D** you can use your little finger on the bottom string of **D** to add that country twang!

VERSE 1:

G **C**
She spends too much time with her self every night just fooling arround with her fears.

G **D**
In the morning she mournes the decline of her mind, drowning in a bottle of bear.

G **C**
Its too dangerous just to think about what she might have been.

G **D**
If she, sung for salvation, if she danced on her dreams.

Refrão -----

G **C**
There s gonna be peace in the valley tommorow.

G **D (TWANG!)**
Cause tonight she s gonna throw them all away.

G **C**
She feels so twisted. She aint ever gonna fix it.

G **D** **G**
She s just waiting for the light to shine on a brand new day.

VERSE 2:

G **C**
Well, he don t know if he s a communist, a hedonist or a whore.

G **D**
He spent too much time riding on the white line, to find the door.

G **C**
But if he did and he opened it, he d find his letters in the hall.

G **D (TWANG!)**
But he s too blind to read between the lines, cause the writings on the wall.

Chorus

VERSE 3: (Done nice n slow...)

G **C**
Well I got ecstasy, if you need some company.

G **D**
You got that mystery, Lord I need a plan.

G **C**
All I got is this compromise, and a bag full of alibis.

G D G
Lord as empty as the bottle of whisky in my shaking hand.

There s gonna be...
