(Nerr nerner nerr nerner nerr take me down to the river)

We burned brighter than heaven  
Lord we, we shone like the stars  
I got as as drunk as Bogart  
You were just smokin like Becall

We were digging for diamonds  
We were divin for pearls  
Higher up than the satellites  
And out of this world (And you sang to me...)

Wade into the water with me  
Wash my body down  
Take me to the bottom baby  
Cause I won t make a sound  
Baptize me like a child  
Gotta let salvation start, cuze if you  
Take me to the bottom of the river, baby  
I ll take you to the bottom of my heart  
(Nerr nerner nerr nerner nerr take me down to the river)

Well, now the, the river is frozen

The blue moon is down  
My drink has run dry  
Lord your cigarette s gone out

All the diamonds and the pearls, yeah  
All the silver and the gold  
They were all turned to the dust, yeah  
It s so cold

(Sing it now)

Wade into the water with me  
Wash my body down  
Take me to the bottom baby  
Cause I won t make a sound  
Baptize me like a child  
Gotta let salvation start  
Cause if you take me  
To the bottom of the river, baby  
I will take you  
I will take you, now...

Wade into the water with me  
Wash my body down  
Take me to the bottom baby  
Cause I won t make a sound  
Baptize me like a child  
Gotta let salvation start  
Cause if you take me  
To the bottom of the river, baby  
I ll take you to the bottom of my heart  
(Nerr nerner nerr nerner nerr take me down to the river)

Deep down, yeah  
Deep down to the bottom  
(Nerr nerner nerr nerner nerr take me down to the river)  
(Nerr nerner nerr nerner nerr take me down to the river)
