**Always Alright**
**Alabama Shakes**

Standard Tuning
Capo 0 for original song
Tabbed by Gdonkee

The intro goes something like:

```
E|-------------------------------------------------|
B|-------------------------------------------------|
G|-------------------------------------------------|
D|-------------------------------------------------|
A|----------------0-4-0-4-0-4-0-4------------------|
E|-0-4-0-4-0-4-0-4---------------------------------|
```

**E A E A**

[Verse 1]

          **E**
Well you come upstairs

But not to talk

You stay a little while
                  **A**                **E**
And you do a little walk on home

I hear you downstairs smokin  cigarettes

I hear you talking shit
                        **A**              **E**
Cause you ain t got nothin  talk about at all

So you took me to the party

You got me alone

Said you wanna feel good
                        **A**
Cause you feel like you re gonna explode
       **E**
Well, I don t care

Can t pay attention
                          **A**
And I don t give a damn about your intentions at all

[Chorus]

```
                        E        A        E        A
Ooo oo ee ooo
```

[Verse 2]

```
          E
Well pass me the whiskey, pass me the gin
                                                  A
Pass whatever there s drank left in
        E
Well I don t care if its seven in the morning
                                                    A
For all I care it could be the 2nd coming
        E
Well you say you can t take it anymore

You can t live like this
                            A
It s a really big deal
        E
Well I don t care

I can t pay attention
                                        A
And I don t give a fuck about your intentions at all
```

[Instrumental]

```
                        E      A      E      A      E      A      E        A  x2
who who oww oo

Oowww
```

[Bridge]

```
          E
Well alright
            A
We re always alright
            E
We re alright
              A
We re always alright
              E
We re alright
            A
We re always alright alright
                        E
```

Ready alright
