

**Rise To The Sun**  
**Alabama Shakes**

When playing this, before you say the A sounds funny, \*notice\* I play the barre A higher on the neck at the fifth fret instead because it sounds like it does in the song. Still don't believe me? play the root notes. It's definitely A. Listen to the song to get the strumming patterns, they're fairly simple. Enjoy!~daydreamin

Rise to the Sun  
Alabama Shakes  
Boys and Girls

[Intro]:

[Verse 1]:

**F#**            **Eb**                    **C#**            **G#**

All I believe in is a dream

**F#**            **Eb**                    **C#**            **G#**

I haunt the earth though I am fully seen

**F#**            **Eb**                    **C#**            **G#**

In all my years I've never felt more sure than now

**F#**            **Eb**                    **C#**            **G#**

Well, I got to get off this rock somehow.

[Pre-chorus]:

**F#**

I feel so homesick

**Eb**

Where's my home

**C#**

Where I belong

**G#**

Where I was born

**F#**

I was taught to go

**Eb**

Where the wind would blow

**C#**

And it blows away-

**G#**

Away

[Chorus]:

(Again, B&A sound better played as barre chords on the 5th and 7th fret)

**F# Eb F C# Bb G# Bb G# x2**

**F# F# F# F# x2**

[Verse 2]:

**F# Eb C# G#**

Well, my eyes are full of stars

**F# Eb C# G#**

But I just can't reach em, oh, how high they are

**F# Eb C# G#**

I gotta believe what I'm thinking

**F# Eb C# G#**

But in a modern world that can be so hard to do

[Pre-chorus]:

**F#**

I feel so homesick

**Eb**

Where's my home

**C#**

Where I belong

**G#**

Where I was born

**F#**

I was taught to go

**Eb**

Where the wind would blow

**C#**

And it blows away-

**G#**

Away

[Chorus]:

**F# Eb F C# Bb G# Bb G# x2**

**F# F# F# F# x2**

[Bridge]:

**F# F# F# F# F# F# F# F#**  
I wake up

**Eb Eb Eb Eb**  
Rise to the sun

**Eb Eb Eb Eb**  
I go to work

**F# F# F# F#**  
And I come back home

**F# F# F# F#**  
I wake up

**Eb Eb Eb Eb**  
Rise to the sun

**Eb Eb Eb Eb**  
I go to work

**F# F# F# F#**  
And I come back home

[Chorus]:

**F# Eb F C# Bb G# Bb G# x2**

Come back home...

**F# Eb F C# Bb G# Bb G# x2**

F# F# F# F# (woo!) x2
