When the cars shut us out we re at a standstill,
Heard there s construction up ahead.
Won t be long so they say,
Soon we ll all be on our way.
Some trucker on the CB just said,

Its that 5 o clock 500 and I run it every day,
Pick-up trucks, cars and buses all in my way.
We ve got Darryl, we ve got Dale,
Richard, Mark, Rusty and Jeff.

Well the boss just dropped a green, we re on our way,
It s that 5 o clock 500
5 o clock 500,
5 o clock 500 every day.
Every day, every day, every day.
