

How Do You Fall In Love
Alabama

INTRO: G/B A D

D G A D
How do you fall in love How do you say I do
D G Em7 A
When is the perfect time To spend the rest of your life
Em G A D
Seasons may come and go And sometimes it rains and snows
D G Em7 A D
And there will be highs and lows So only you will know

Em7 A
You never know just where it will find you

Em7 A
Cause it can come on you so fast

G A D
Seems like it takes forever

Em7 A
When you want it so bad

Em7 A
But don't ever take it for granted

Em7 A
Cause it's more than sowing some seeds

G A D
It takes sun and water
Em7 A7sus A7
So give it what it needs

D G A D
And that's how you fall in love That's when you say I do

D G Em7 A
That's when you know it's time To spend the rest of your life

Em G A D
Now seasons may come and go And sometimes it rains and snows

D G Em7 A D
There will be highs and lows So only you will know

D G Em7 A D
There will be highs and lows So only you will know
