

Jukebox In My Mind

Alabama

[Chorus]

A **E**
In the corner of my mind stands a jukebox
E7 **A**
It s playin all my favorite mem-o-ries
A7
One by one, they take me back
D **D7** **F#m**
To the days when you were mine
E **E7** **A**
And I can t stop this jukebox in my mind.

[Verse]

E
I don t need no quarters, don t need any dimes
E7
You filled it up forever
A
When you said good-bye
A7
Heaven knows I love old melodies
D **D7** **F#m**
They were meant to ease the pain
B
But the kind that s playin on my mind
E **E7** **E**
Are drivin me insane.

[Chorus]

A **E**
In the corner of my mind stands a jukebox
E7 **A**
It s playin all my favorite mem-o-ries
A7
One by one, they take me back
D **D7** **F#m**
To the days when you were mine
E **E7** **A**
And I can t stop this jukebox in my mind.

[Verse]

A7
Song by song, those melodies
D **D7** **F#m**
Were meant to ease the pain
B
But the kind that s playin on my mind
