Tuning: standard

**A** **G**  
We live in the land of plenty  
**D** **A**  
But many things aren t plenty anymore  
  
Like the water from our sink  
**G**  
They say is not safe to drink  
**D** **A**  
you gotta go and buy it at the store.  
**G** **A**  
Now, we re told there s a hole in the ozone  
**G** **A**  
Look whats washing on the beach  
  
And Lord, I believe  
**G**  
From the heavens to the seas  
**D** **A**  
We re bringing mother nature to her knees  
  
So lets  
CHORUS  
**D**  
Leave some blue up above us  
**C/G** **D** **A**  
Let s leave some green on the ground  
  
Its only ours to borrow  
**G**  
Let s save some for tommorrow  
**D** **A**  
Leave it and Pass It On Down

The place where I lived called the canyon  
Where my daddy taught me to swim  
And that water is so pure

And I m gonna make sure  
Daddy s grandkids can swim there like him

Now we all ought to feel just a little bit guilty  
When we look into the eyes of our kids  
Cause brothers, its a fact  
if we take and not put back  
they ll have to pay for all we did

So lets

CHORUS

Leave some blue up above us  
Let s leave some green on the ground  
Its only ours to borrow  
Let s save some for tommorrow  
Leave it and Pass It On Down

Well, there s a change taking place away on the mountains  
Acid rain is falling on the leaves  
And down in Brazil  
The fires are burning still  
How we gonna breathe without them trees?

Repeat chorus several times until song ends  
and its that easy
