

Take A Little Trip

Alabama

C

If we could leave this big old city

F

and head back for the cabin we loved back deep in the woods

C

Whoa baby we would

If we could jump in some big old jet plane & head for the islands

F

where the weather is always good

C

Oh don t you know we would

G

Well we can t do this & we can t do that

F

But baby we can stay right where we re at

C

Bb

Take a little trip, take a little trip

F

Take a little trip up to heaven tonight

C

Bb

Take a little time leave it all behind

F

Take a little trip up to heaven tonight

C

We could go downtown to a nightclub

F

and dance to the rythm of the music on that old hardwood

C

Whoa baby we could

We could call up Rita & Bobby

F

And see what they re doing tonight & maybe play some rook

C

Yeah baby we could

G

Yeah now we can do this or we can do that

F

Or baby we can stay right where we re at

C

Bb

Take a little trip, take a little trip

F

Take a little trip up to heaven tonight

C **Bb**
 Take a little time leave it all behind
F
 Take a little trip you and me out of sight
G **A**
 Pull down the shades turn out the lights
C
 Take a little trip up to heaven tonight
C **Bb** **F**
 Take a little trip, take a little trip
F
 Take a little trip up to heaven tonight
C **F**
 Take a little trip me and you out of sight
C **Bb**
 Pull down the shades turn out the lights
F
 Take a little trip up to heaven tonight
