HUMAN NATURE!

Am **C** **G** **D**
We were made from the dust of the ground

Am **C** **G** **D**
We were made in the likeness of you Lord

Am **C** **G** **D**
Why do we run when where chased

Am **C** **G** **D**
Why do we cry when were in pain

Am **C** **G** **D**
Why do we run, just a part of Human Nature

Chorus

Am **C**
Human Nature x4

G **D**
It's just a part of you and me

Am **C**
Human Nature x4

Same chords as above

Why do we hate the enemy

Why do we love to see blood shed

Why do we do wrong every day

Why do we say things that aren't ok

Why do we run, just a part of Human Nature

Chorus

But we are saved if we believe

Cause Jesus died to save you and me

So even though we commit sin

We can have eternal life with you

Why do we turn to the Lord

Just a part of Human Nature

Chorus
