Lay your lover's hands upon me
Let me understand, you know?
Lay your lover's hands upon me
Let me go

Lay your lover's hands upon me
Let me go
Aw, let me go

Let it be dark in this endless caravan
Rocked by lightning, striking metal in the sand
I'm miles from common sense, as welcome as the rain
So close to madness, that I even know her name

Let me understand, you know?
