

Lovers Hands
Alan Doyle

-Standard Tuning

-No Capo-

The chords are played as follows:

*All verses and choruses are played the same way

D: x32010

G: 133211

A: 320003

Bm: x02210

[Intro]

D, G (x2)

[Verse 1]

D **G**
Let it be dark in this caravan
D **G** **A**
Rocky lightning striking metal in the sand
D **G**
I m miles from common sense, as welcome as the rain
D **G** **A**
So close to madness that I even know it s name

[Chorus]

G **D**
Lay your lover s hands upon me
A **D**
Let me understand, you know?
G **D**
Lay your lover s hands upon me
A
Let me go
G **D**
Lie to me sweetly
A **Bm**
Then discreetly leave me alone
G **D**
Lay your lover s hands upon me
A
Let me go
Aw, let me go

[Instrumental]

D, G

[Verse 2]

Let there be thunder, let me feel the trembling pain
It takes me, now I m desert clean, I ll never be again
Long past the dangerous point, I m open and I m free
I gave up the anchor when I gave up the sea

[Chorus]

Lay your lover s hands upon me
Let me understand, you know?
Lay your lover s hands upon me
Let me go
Lie to me sweetly
Then discreetly leave me alone
Lay your lover s hands upon me
Let me go
Aw, let me go

[Instrumental]

D, G (x2)

[Bridge]

Bm

And the storm hits

A

My finger tips

G

A

And I m prone to miss the pyramids

Bm

A

G

I married that man the moment I could date

Bm

And the flag snaps back

A

G

And I m scattered to the wind

D

And the door pretends

A

D G

I never let you in

[Instrumental]

D, G

[Verse 3]

Let it be dark in this endless caravan
Rocked by lightning, striking metal in the sand
I m miles from common sense, as welcome as the rain
So close to madness, that I even know her name

[Chorus]

Lay your lover s hands upon me
Let me understand, you know?
Lay your lover s hands upon me
Let me go
Lie to me sweetly
Then discreetly leave me alone

Lay your lover s hands upon me
Let me go
Aw, let me go

[Outro]
D, G (x2)
