Album: here in the real world

Intro: (C) (C) (C) (C)

(C) Love s a gamble (G) every heart will (C) take
You roll the dice in hopes that it won t (G) break
One (C) night I bet on your blue eyes (F) and (F/E) took a (Dm7) chance
And (C) won a whole lot more than one night of ro(G)mance

I held the (C) Ace of Hearts that night in the dark
How (Bb) lucky Can (F) one man (G) be
I (F) hold a winning hand
Any(C)way life deals the (D) cards
No way to (F) lose cause I got (G) you
My ace of (C) hearts.

(C) Love s a numbered (G) wheel you have to (C) spin
There s no need for me to spin a(G)gain
Cause (C) loving you is paying off (F) more (F/E) than I (Dm7) knew
I (C) took a little risk and hit it big with (G) you

Repeat Chorus Twice
