Intro:
Vers:
Dallas packed her suitcase
And drove off in the brand new car I bought her
She made leaving me look easy
I wish she d made it look a little harder
I took her out of Texas
When she was just a girl
But old Tennessee and me
Couldn t take Texas out of her
Chorus:
              C
On how I wish Dallas was in Tennessee
If I could move Texas east
Then she d be here with me
Then nothin else would come between the two of us
If Dallas was in Tennessee
Violin solo (transcribed for guitar without capo):
