

## Freight Train

Alan Jackson

(Capo on 3)

Intro.: (Em) x 8

I (Em) just came down from Chippewa, had as (C) station wagon and a hundred dollars

(D) Thinkin about the girl I d lost a (Em) year before  
I hadn t seen her for some time, thought (C) I might go on by  
When your (D) memory came floodin in and you (Em) closed that door

(Chorus)

Wish it was a (Em) freight train baby, wish it was a (C) diesel locomotive  
I d come (D) whistlin down your track (Em) crashin in your door  
Wish it was a freight train baby, wish it didn t (C) have a heart  
You need a (D) shovel for the coal (Em) just to get me started  
Wish it was a freight train baby, wish it was a (C) freight train baby  
Wish it was a (D) freight train (Em)

Well (Em) every time I talk to you I (C) hear your jealous lines  
I (D) feel like I ve been left abandoned on (Em) some old railway side  
And every time I hear your voice my (C) water just gets cold  
My (D) stoker will not stoke and my (Em) boiler will not boil.

Repeat Chorus

Well (Em) every time I fell behind I (C) could not get ahead  
I (D) wish someone would pull the lever and (Em) give me a little sand  
And every time I slip behind (C) even further back  
I (D) wish some switch man would come out of the (Em) fog and change my track

Repeat Chorus
