

It Must Be Love
Alan Jackson

this is it must be love by alan jackson...this is also for a special someone;) dont to rate and comment please(i said please).

Capo on 2(chords are relative to capo)

E=022100

A2=X02200

BSUS4=X24400

Verse 1:

E
first i get cold then hot
A2
think i m on fire but i m not
E
oh what a pain i ve got
BSUS4 E
it must be love
E
there s nothing i can do
A2
all that i want is you
E
look what i m going through
BSUS4 E
it must be love

Chorus:

E
it must be love
A2 E
it must be love
A2 E
i fall like a sparrow
BSUS2 E
and fly like a dove
E A2 E
you must be the dream i ve been dreaming of
A2 E BSUS4 E
oh,what a feeling it must be love

Verse 2:

E
something is wrong all right

A2

i think of you all night

E

BSUS2

E

can't sleep till morning light it must be love

E

seeing you in my dreams

A2

holding you close to me

E

oh what else can it be

BSUS2

E

it must be love

(back to chorus and repeat until the end of the song)
