

Its Five O'clock Somewhere
Alan Jackson

[Verse]

G **C** **D**
The sun is hot, and that old clock is moving slow.
D*
And so am I
G **C** **D**
The work day passes slower than molasses in wintertime
D*
But itâ€™s July
C **D**
Iâ€™m getting paid by the hour and older by the minute
C **D**
The boss just pushed me over the limit
C **D**
Iâ€™d like to call him something
C **D** **G**
I think Iâ€™ll just call it a day

[Chorus] (x2)

G **C** **D**
Pour me something tall and strong. Make it a hurricane before I go insane
G **C** **D**
Itâ€™s only half past twelve But I donâ€™t care
D **G**
Itâ€™s five oâ€™clock somewhere
G **C** **D**
This lunch break is going to take all afternoon
D*
And half the night
G **C** **D**
Tomorrow morning I know thereâ€™ll be hell to pay
D*
Hey but thatâ€™s all right
C **D**
I havenâ€™t had a day off now in over a year
C **D**
My Jamaican vacation starts right here
C
If the phones for me
D **G**
You can tell them I just sailed away

[Bridge]

C **D** **C** **G**
I could pay up my tab. Pour myself in a cab and be back to work before two.
C **D**
At a moment like this, I canâ€™t help but wonder

G

[Chorus]

D

And half the night

Hey but that's all right
