

Its Five Oclock Somewhere
Alan Jackson

[Verse]

A **D** **E**
The sun is hot, and that old clock is moving slow.
E*
And so am I
A **D** **E**
The work day passes slower than molasses in wintertime
E*
But itâ€™s July
D **E**
Iâ€™m getting paid by the hour and older by the minute
D **E**
The boss just pushed me over the limit
D **E**
Iâ€™d like to call him something
D **E** **A**
I think Iâ€™ll just call it a day

[Chorus] (x2)

A **D** **E**
Pour me something tall and strong. Make it a hurricane before I go insane
A **D** **E**
Itâ€™s only half past twelve But I donâ€™t care
E **A**
Itâ€™s five oâ€™clock somewhere
A **D** **E**
This lunch break is going to take all afternoon
E*
And half the night
A **D** **E**
Tomorrow morning I know thereâ€™ll be hell to pay
E*
Hey but thatâ€™s all right
D **E**
I havenâ€™t had a day off now in over a year
D **E**
My Jamaican vacation starts right here
D
If the phones for me
E **A**
You can tell them I just sailed away

[Bridge]

D **E** **D** **A**
I could pay up my tab. Pour myself in a cab and be back to work before two.
D **E**
At a moment like this, I canâ€™t help but wonder

D **A**
What would Jimmy Buffet do. (I think he d say....)

[Chorus]

A **D** **E**
Pour me something tall and strong. Make it a hurricane before I go insane

A **D** **E**
Itâ€™s only half past twelve But I donâ€™t care

E **A**
Itâ€™s five oâ€™clock somewhere

A **D** **E**
This lunch break is going to take all afternoon

E*
And half the night

A **D** **E**
Tomorrow morning I know thereâ€™ll be hell to pay

E*
Hey but thatâ€™s all right

D **E**
I havenâ€™t had a day off now in over a year

D **E**
My Jamaican vacation starts right here

D
If the phones for me

E **A**
You can tell them I just sailed away
