1.I thought some time in the sun

C

Would help me get over you

D

But I could tell from day one

G

This is a place meant for two

2.Now here I sit on the beach

Watching the tide ebb and flow

I booked my room for a week

But now I m ready to go

C

C.I m in a tropical depression

G

I ve got the blue water blues

C

Can t shake this loving you obsession

D

Can t stand this sand in my shoes

C

This forgetting you vacation

G

Is just a fool s holiday

C

If I can t get over you

D

This tropical depression s gonna

G

Blow me away

3.This should be paradise

Heaven down by the sea

Without you here by my side

It feels like hell to me

C.

C

If I can t get over you

D
