

I See The Light
Alan Menken

C G C
all those days, watching from the windows,
C G C
all those years, outside looking in,
F C G
all that time, never even knowing,
C G
just how blind Iâ€™ve been

C G C
now Iâ€™m here, blinking in the starlight,
C G C
now Iâ€™m here suddenly I see,
F G Am G
standing here, itâ€™s all so clear, Iâ€™m where Iâ€™m meant to be

F C G C
and at last Iâ€™ve seen the light, and itâ€™s like the fog has lifted
F C Am G F
and at last Iâ€™ve seen the light, and itâ€™s like the sky is new
F C G F
and itâ€™s warm and real and bright, and the world has somehow shifted

C G C
all at once, everything looks different,
F G C
now that I see you
