

**Intrusive Thoughts**  
**Alan Mora**

<https://soundcloud.com/fishyrecords/alan-mora-intrusive-thoughts>

[Verse 1]

**F**                    **G**                    **C/G**                    **Am**  
Ash flies from my fingers as a song Donny wrote plays loud  
**F**                    **G**                    **C/G**                    **Am**  
I m looking for a reason, but not one can be found  
**F**                    **G**                    **C/G**                    **Am**  
I m driving fast with no gas in a car that s hardly mine  
**F**                    **G**                    **C/G**                    **Am**  
I m wasting days & I m wasting nights, I m wasting so much time

[Chorus]

**F**            **G**            **C/G**            **Am**  
I just wanna drive into a wall  
**F**            **G**            **C/G**            **Am**  
I give up, I wanna end it all  
**F**            **G**            **C/G**            **Am**  
I just wanna drive into a wall  
**F**            **G**            **C/G**            **Am**  
I give up, I wanna end it all

[Verse 2]

**F**                    **G**                    **C/G**                    **Am**  
Intrusive thoughts eat at my head when I m feeling low  
**F**                    **G**                    **C/G**                    **Am**  
Intrusive thoughts you gotta stop, intrusive thoughts please go  
**F**                    **G**                    **C/G**                    **Am**  
But sometimes I listen & sometimes I think of how free I can be  
**F**                    **G**                    **C/G**                    **Am**  
If I turned the steering wheel & I aimed it at a tree

[Chorus]

**F**            **G**            **C/G**            **Am**  
I just wanna drive into a wall  
**F**            **G**            **C/G**            **Am**  
I give up, I wanna end it all

[Outro]

**F**            **G**            **C/G**            **E**            **Am**  
I just wanna drive into a wall  
**F**                    **G**                    **C/G**  
Then maybe I can stop these intrusive thoughts

**F**

**G**

**C/G**

Then maybe I can stop these intrusive thoughts
