[Verse 1]

G **E4**
I m not who I say I am
C/G **G**
I pretend everything s okay
G **E4**
With a flower in my hand
C/G **G**
& a mask sitting on my face

[Verse 2]

G **E4**
I put on my mask & I go outside
C/G **G**
& I hope my mask stays on
G **E4**
Cause if my mask would fall off
C/G **G**
We would probably never get along

[Verse 3]

G **E4**
It s complicated, yeah I m complicated
C/G **G**
With so many emotions running through my head
G **E4**
But I keep them inside, & I keep them away
C/G **G**
I d rather bottle them up instead

[Verse 4]

G **E4**
I don t share anything within
C/G **G**
I m ambiguous & I don t care
G **E4**
Why tell you my problems
C/G **G** **G** **E4**
When I know you obviously don t care

[Bridge]

C/G **G** **G** **E4**

When you obviously don t care

C/G **G**

When you obviously don t care

[Outro]

G **E4**

But maybe I should take this off

C/G **G**

Maybe I should keep it on

G **E4**

& Maybe I should take this off

C/G **G**

But Maybe I should keep it on
