If I was unbreakable

Dm

Dm

[Chorus]

Oh, oh

```
If I had a diamond heart
    Am
Oh, oh
You could shoot me with a gun of gold
If I was unbreakable
[Post-chorus]
I'd walk straight through the bullet, bendin' like a tulip
Blue-eyed and foolish, never mind the bruises
Into the fire, breakinâ\in<sup>TM</sup> through the wires
Give you all I've got
                    Dm
(If I had a diamond heart)
Iâ€^{\text{md}} walk straight through the dagger, never break the pattern
Diamonds don't shatter, beautiful and battered
Into the poison, cry you an ocean
Give you all I've got
[Verse 2]
            Dm
Goodbye, so long
                                  Am

'Cause every station is playing our song
           Dm
Goodbye my love
                                       Am

If I only were unbreakable
