[Verse 1]
   Dm
Hello, sweet grief
                 Am
I know you ll be the death of me
                    C
Feel like the morning after ecstasy
             G
I am drowning in an endless sea
   Dm
Hello old friend
               Am
Here’s the misery that knows no end
          C
So I am doing everything I can
             G
To make sure I never love again

[Pre-chorus]
Dm
I wish that I did not know
Am
Where all broken lovers go
C   **G**
I wish that my heart was made of stone
Dm
Yeah, if I was bulletproof
Am
I’d love you black and blue
C   **G**
If I was solid like a jewel

[Chorus]
               Dm
If I had a diamond heart
    Am
Oh, oh
        C
I’d give you all my love
      G
If I was unbreakable
             Dm

```
If I had a diamond heart
      Am
Oh, oh
                         C
You could shoot me with a gun of gold
           G
If I was unbreakable

[Post-chorus]
         Dm
I’d walk straight through the bullet, bendin’ like a tulip
Am
Blue-eyed and foolish, never mind the bruises
C
Into the fire, breakin’ through the wires
G
Give you all I’ve got
                      Dm
(If I had a diamond heart)
         Dm
I’d walk straight through the dagger, never break the pattern
Am
Diamonds don’t shatter, beautiful and battered
C
Into the poison, cry you an ocean
G
Give you all I’ve got

[Verse 2]
          Dm
Goodbye, so long
                              Am
I don’t know if this is right or wrong
                    C
Am I giving up where I belong?
                            G
’Cause every station is playing our song
          Dm
Goodbye my love

You are everything my dreams are made of

You’ll be Prince and I’m the crying dove

If I only were unbreakable
