Alan Walker

[Intro] **Em** **C** **D** **Bm**
Em **C** **D** **Bm**

[Verso 1]

Em **C**
All we know, left untold
D **Bm**
Beaten by a broken dream

Nothing like what it used to be

[Pré-Refrão]

Em **C**
We've been chasing our demons down an empty road
D **Bm**
Been watching our castle turn into dust
Em **C** **D**
Escaping our shadows just to end up here once more
Bm
And we both know

[Refrão]

Em **C** **D**
This is not the world we had in mind
Bm
But we got time
Em **C** **D**
We are stuck on answers we can't find
Bm
But we got time
Em **C**
And even though we might have lost tonight
D **Bm**
The skyline reminds us of a different time
Em **C** **D**
This is not the world we had in mind
Bm
But we got time
