Lily (feat. K-391 Emilie Hollow)
Alan Walker

[Verso 1]

```
Em                   Am
Lily was a little girl
D                           Bm
Afraid of the big, wide world
Em              Am           D
She grew up within her castle walls
Em                   Am
Now and then she tried to run
                  D                     Bm
And then on the night with the setting sun
                      Em
She went in the woods away
Am          D
So afraid, all alone
```

[Pré-Refrão]

```
Em                    Am
They warned her, don t go there
D                    Bm
There s creatures who are hiding in the dark
Em                Am
Then something came creeping
D
It told her, don t you worry just
```

[Refrão]

```
Em                      Am
Follow everywhere I go
          D                       Bm
Top over the mountains or valley low
            Em                        Am
Give you everything you ve been dreaming of
          D       Em
Just let me in, ooh
Em              Am                   D           Bm
Everything you wantin  gonna be the magic story you ve been told
            Em                  Am
And you ll be safe under my control
            D       Em   Am D Bm
Just let me in, ooh
Em Am               D       Em
    Just let me in, ooh
```

[Verso 2]

Em   **Am**
She knew she was hypnotized
D   **Bm**
And walking on cold thin ice
          Em   **Am**   **D**
Then you broke, and she awoke again
Em   **Am**
   Then she ran faster than
D   **Bm**
Start screaming, is there someone out there?
Em
Please help me
Am
Come get me
D
Behind her, she can hear it say

[Refrão]

Em   **Am**
Follow everywhere I go
              D   **Bm**
Top over the mountains or valley low
              Em   **Am**
Give you everything you ve been dreaming of
          D   **Em**
Just let me in, ooh
Em   **Am**   **D**   **Bm**
Everything you wantin gonna be the magic story you ve been told
              Em   **Am**
And you ll be safe under my control
          D   **Em**   **Am D Bm**
Just let me in, ooh
Em Am   **D**   **Em**
     Just let me in, ooh

[Ponte]

Em   **Am**   **D**   **Bm**
Ooh, ooh, ooh, ooh
Em   **Am**   **D**   **Bm**
Ooh, ooh, ooh, ooh

Em   **Am**   **D**   **Bm**
Everything you wantin gonna be the magic story you ve been told
              Em   **Am**
And you ll be safe under my control
              D   **Em**
Just let me in, ooh

Em   **Am**

Follow everywhere I go
```
          D                       Bm
```
Top over the mountains or valley low
```
              Em                          Am
```
Give you everything you ve been dreaming of
```
          D        Em
```
Just let me in, ooh
```
Em              Am
```
   Then she ran faster than
```
D                   Bm
```
   Start screaming, is there someone out there?
