

Tired
Alan Walker

Bm **G**
I see those tears in your eyes
D **A**
I feel so helpless inside
Bm **G**
Oh love, there s no need to hide
A
Just let me love you when your heart is tired

Bm **G**
Cold hands, red eyes
D **A**
Packed your bags at midnight
Bm **G**
They ve been there for weeks
D **A**
I don t know what came by me

Bm **D**
Just roll up a cigarette
G **A**
Just forget about this mess
Bm **G**
Been waiting on the sidelines
A
From the sidelines

Bm **G**
I see those tears in your eyes
D **A**
And I feel so helpless inside
Bm **G**
Oh love, there s no need to hide
D **A**
Just let me love you when your heart is tired
Bm **G**
If your ghost pulls you up high
D **A**
And it feels like you ve lost who you are
Bm **G**
My love, there s no need to hide
D **A**
Just let me love you when your heart is tired

(**Bm G D A**) 2x
Just let me love you
Just let me love you

Just let me love you
Just let me love you
Just let me love you when your heart is tired

Bm **G**
When you whisper, I m alright
D **A**
But I see through your white lies
Bm **G**
But these walls don t talk
D **A**
And if they could, they d say

Bm **D**
Can t hide the secrets
G **A**
You can t forget about this mess
Bm **G**
I m waiting on the sidelines
A **Bm**
From the sidelines

Bm **G**
I see those tears in your eyes
D **A**
And I feel so helpless inside
Bm **G**
Oh love, there s no need to hide
D **A**
Just let me love you when your heart is tired
Bm **G**
If your ghost pulls you up high
D **A**
And it feels like you ve lost who you are
Bm **G**
My love, there s no need to hide
D **A**
Just let me love you when your heart is tired

(**Bm G D A**) 2x

Just let me love you
Just let me love you
Just let me love you
Just let me love you
Just let me love you when your heart is tired

Bm **G**
(nah, nah), those tears in your eyes
D **A**
(nah, nah), so helpless inside
Bm **G**
(nah, nah), there s no need to hide
