

Til You  
Alanis Morissette

**Bb** **F/A** **Gm** **Eb**  
I ve been wasting time clawing my way to you  
**Cm** **Dm** **Eb** **F**  
Taking no prisoners with my romantic crimes  
**Bb** **F/A** **Gm** **Eb**  
I ve been holding out imagining glimpses of you  
**Cm** **Dm** **Eb** **F**  
Holding my breath while you come down the pike

**Bb** **Bb/D** **Eb** **Gm**  
Spinning my wheels round  
**F/A** **Bb** **Bb/D** **Eb** **Gm** **F/A**  
I m here dodging bullets til you  
**Bb** **Bb/D** **Eb** **Gm**  
Ear to the ground  
**F/A** **Bb** **Bb/D** **Eb** **Gm** **G#7M**  
While I m dodging bullets til you - ooh!

**Bb** **F/A** **Gm** **Eb**  
I ve been taking notes, nursing the thought of you  
**Cm** **Dm** **Eb** **F**  
Research and develop as i m bidding my time  
**Bb** **F/A** **Gm** **Eb**  
I ve been holding up this magnet that calls to you  
**Cm** **Dm** **Eb** **F**  
Entertaining myself with these consolation prizes

**Bb** **F/A** **Gm** **Eb**  
They ve been plenty fun, but mere placeholders for you  
**Cm** **Dm** **Eb** **F4**  
They fill this dance card as you form in my mind
