Repita o riff várias vezes durante estes versos:

I am a man as a man I ve been told
Bacon is brought to the house in this mold
Born of your bellies I yearn for the cord
Years I have groveled repentance ignored
And I have been blamed
And I have repented
I m working my way toward our union mended

Em
I am man who has grown from a son
Been crucified by enraged women
I am son who was raised by such men
I m often reminded of the fools I m among
And I have been shamed
And I have relented
I m working my way toward our union mended
And I have been shamed
And I have repented
I m working my way toward our union mended

C B Am Em
we don t fare well with endless punishment
C B Am Em
we don t do well with a life served as a setence
C B Am Em
this won t work well if you re hell bent on your offence
C B Am Em
I am a man who understands your reticence

Em
I am a man who still does what he can
to dispel our archaic reputation
I am a man who has heard all he can
cuz I don t fare well with endless punishment
Cuz I have been blamed and I have repented

I m working my way toward our union mended
And we have been blamed and we have repented
I m working my way toward our union mended

C B Am Em
we don t fare well with endless punishment
C B Am Em
we don t do well with a life served as a setence
C B Am Em
this won t work well if you re hell bent on your offence
C B Am Em
I am a man who understands your reticence

Final (Harmonia do Solo): C B Am Em
