

C#

No one's going out here

Fm

On the edge of evolution

Verse 2:

C# **Bbm**

I have had my motives
with any that's

Fm

stokes and says

C# **Bbm**

I have had a weakness
lullaby before

Fm

the most part

(Repeat Chorus 1)

Bridge:

G# **G#/C C#**

Here's the secret
to what I need

G# **G#/C**

The highest and

C#

lows when

the hews are

G#

where it lives

G#/C C#

These are versions

G#

of these creepies

G#/C C#

Push me beyond identity

G#(hold)

in the truth this is

(we're already here)

Chorus 2:

C# Bbm

here we are out here

Fm

on the edge of evolution

C# Bbm

We've been high out here

Fm

On the edge of evolution

C# Bbm

here we are out here

Fm

on the edge of evolution

C# Bbm

We ve been high out here

Fm

On the edge of evolution
