

Hand In My Pocket Acoustic

This song was pretty easy! It can be played alone by just strumming the chords or you can find a friend and play with you.

This tab is desinated for 2 guitars. One broken chord and one strum chord.

Repeat these 4 bars for the next part of the verse:

I m high but I m grounded, I m sane but I m overwhelmed
 I m lost but I m hopeful, baby

Strum:

I found keeping the two high notes more interesting to listen to, so try this.

G (320033)
 Dsus4/F# (200233)
 F9add6 (130033)
 Em maj7 (022033)
 Eb maj7 (xx1033)

The chords have wacky name so I ll just call them by their basic chords.

```

      G                      D
I m broke but I m happy, I m sore but I m kind
      F                      Em Eb
I m short but I m healthy, yeah
      G                      D
I m high but I m grounded, I m sane but I m overwhelmed
      F                      Em
I m lost but I m hopeful, baby
