  F#   **Badd9**   **F#**   **Badd9**
 I ve been most unwilling to see this turmoil of mine
        F#   **Badd9**   **F#**   **Badd9**
 The thought of sitting with this has me paralyzed
        F#   **Badd9**   **F#**   **Badd9**
 With this prolong exposure to mirror and averted eyes
         F#   **Badd9**   **F#**   **Badd9**
 I ve feigned that I ve been waiting such mileage for empathizing

           F#
 And now I see the madness in me
                 Badd9
 Is brought out in the presence of you
                 F#
 And now I know the madness lives on
                 Badd9
 When you re not in the room
                   F#
 And though I d love to blame you for all
                 Badd9
 I d miss these moments of opportune
                         F#   **Badd9**
 You ve simply brought this madness to light and I should thank you
      F#   **Badd9**

Oh thank you, much thanks for this bird s eye view
     F#   **Badd9**
Oh thank you for your most generous triggers

F#   **Badd9**   x 2

        F#   **Badd9**   **F#**   **Badd9**
It s been all too easy to cross my arms and roll my eyes
        F#   **Badd9**   **F#**   **Badd9**
The thought of dropping all arms leaves me terrified

                    F#
And now I see the madness in me
                    Badd9
Is brought out in the presence of you
                 F#
And now I know the madness lives on
                 Badd9
When you re not in the room
                        F#
And though I d love to blame you for all
                 Badd9
I d miss these moments of opportune

I d have to give up knowing and give up being right
     F#   **Badd9**   **F#**   **Badd9**
You inadvertent hero, you angel in disguise

                    F#

                    Badd9
Is brought out in the presence of you
                 F#
And now I know the madness lives on
                 Badd9
