NO

ALANIS MORISSETTE

Am **F** **Dm** **E**
my mind is invaded, my gates are ignored
my thoughts are negated and you re on a roll
and I am offended by your acts of shamelessnes
your lack of conscience and your flagrant steamroll

Am **F** **Dm** **E**
what part of no do you not understand, do you not understand (2x)

Am **F** **Dm** **E**
my sorrow is left off, my rage is discounted
my fears are founded, this dam is no more

CHORUS

Am **F** **Dm** **E**
don t touch me, my body is frozen thanks to you
and I ve sat with these secrets, I m no longer willing to
