

Numb

Alanis Morissette

BPM: 95

Em C Am B7
I feel smothered and encumbered and defeated and drawn
disappointed over-extended and frustrated and shaken
this over-giving over-loving this caretaking goes on
with no chance of intermission I ll be checked out I ll be gone

Em C Am B7
Have to remove myself from sensation

Em C Am B7
Here comes a feeling, I run from the feeling and reach for the drug
can t sit with this feeling, I d rather be flying and comfortably numb

Em C Am B7
I feel anxious I am nervous I am bored
I m overwhelmed rather be out of my gourd
Have to remove myself from sensation

(Chorus)

Em C Am B7
I am lonely I feel hungry and unloved
I feel angry I am livid need a hug

(Chorus)
