[Verse]

How long before you screw it up  
How many times do I have to tell you to hurry up  
With everything I do for you  
The least you can do is keep quiet

[Chorus]

Be a good girl  
You ve gotta try a little harder  
That simply wasn t good enough  
To make us proud

[Bridge]

**G**  
I ll live through you  
I ll make you what I never was  
**A**  
If you are the best, then maybe so am I  
**Asus**

Compared to him compared to her

**A**

**G**

I m doing this for your own damn good

You ll make up for what I blew

**Bsus**

What s the problem...why are you crying

[Chorus]

Be a good boy

Push a little farther now

That wasn t fast enough

To make us happy

We ll love you just the way you are if you re perfect
