Permission Alanis Morissette

CAPO 1

Intro: Dm F C G

Om F

I ve been an ace girl

Dm.

Offering much, grumbling low

Dm F

And I gave all, all that was asked of me

Dm I

When order was slow and vision was unrelenting

Dm Bb

I never stopped long enough

?

To swim against the tides of old

Dm Bb

And I was single-minded too much

F C

To look toward this new true north

F C

Permission to be

Dm

Permission to slow

Bb

And do the only things that matter to me

C

The freedom to flow

Dm

To where genuine flows

Bb

And do the only things that matter to me

Dm F

And sure, I ve had my fun

Dm

Played with my roles

F

With time for a break hard-won

Dm

But then after a while

Dm

So much done by rote

F

```
No longer by inspiration
Dm
I ve never stopped long enough
To see whose was this blind ambition
          was not sanctioned to stop
And realize whose was this old mission
F
                              C
    Permission to be
                  Dm
Permission to slow
             Вb
And do the only things that matter to me
The freedom to flow
To where genuine flows
             Вb
And do the only things that matter to me
                                Dm
                                                Bb
With this space by the dropping of weights
This license to obey
         Dm
With this time really wait
So now
F
                              C
    Permission to be
                  Dm
Permission to slow
             Bb
And do the only things that matter to me
The freedom to flow
                  Dm
To where genuine flows
```

F

Bb

Bb

Вb

And do the only things that matter to me

The simple things that matter to me

The simple things that matter to me?
