Infatuation

Court well meant

Cause I m the easiest to sway
Catch my fancy and commitment
Riding fresh can stay

One by one conditions change
Slippery slope yields shekled face and
Gone are the days of snare and twill
An admission to sexy hell

(Riff 2)

I don t my crown and moniker claim as professional torturer
As me a culprit I renounce my name
Professional torturer

(Riff 1)

Eyebrows raise and façades do fade
Poised refrained as peculiarte
Hands still hold but gazes abate
This masochism enfolds me

(Riff 2)

I don t my crown and moniker claim as professional torturer
As me a culprit I renounce my name
Professional torturer

I don t my crown and moniker claim as professional torturer
For you my boy I renounce my name
