[Intro]

E Esus4 E Esus4

[Verse]

E Esus4 E Esus4

Wait a minute man
You mispronounced my name
You didn't wait for all the information
Before you turned me away
Wait a minute sir
You kind of hurt my feelings
You see me as a sweet back-loaded puppet
And you've got meal ticket taste

[Chorus]

	E	G	A	E
I see right through you				
	E	G	A	E
I know right through you				
	E	G	A	E
I feel right through you				
	E	G	A	
I walk right through you				

G E Esus4 (triplets)

You took me for a joke
You took me for a child
You took a hard long at my ass
And then played golf for a while
Your shake is like a fish
You pat me on the head
You took me out to wine dine 69 me
But didn't hear a damn word I said

Repeat Chorus

Hello Mr. Man
You didn't think I'd come back
You didn't think I'd show up with my army

And this ammunition on my back
Now that I m Miss Thing
Now that I m a zillionaire
You scan the credits for your name
And wonder why it s not there
