Simple Together Alanis Morissette VERSE 1: ----- (\mathbf{A}) You ve been my golden best friend D A (\mathbf{A}) Now with post-demise at hand D A (\mathbf{A}) Can t go to you for consolation D A G (\mathbf{A}) `Cause we re off limits during this transition PRE-CHORUS 1: _____ G This grief overwhelms me It burns in my stomach And I can t stop bumping into things CHORUS 1: G I thought we d be simple together G I thought we d be happy together G Thought we d be limitless together D I thought we d be precious together But I was sadly mistaken VERSE 2: D You we been my soulmate and then some I remembered you the moment I met you With you I knew god s face was handsome A With you I suffered an expansion PRE-CHORUS 2: _____

```
This loss is numbing me
It pierces my chest
                    Bm
And I can t stop dropping everything
CHORUS 2:
                                       G
I thought we d be sexy together
Thought we d be evolving together
I thought we d have children together
I thought we d be family together
But I was sadly mistaken
BRIDGE:
_____
If I had a bill for all the philosophies I shared
If I had a penny for all the possibilities I presented
If I had a dime for every hand thrown up in the air
My wealth would render this no less severe
CHORUS 3:
                                          G
I thought we d be genius together
                                       G
I thought we d be healing together
                                      G
I thought we d be growing together
                                          G
Thought we d be adventurous together
But I was sadly mistaken
CHORUS 4:
                                         G
Thought we d be exploring together
                                        G
Thought we d be inspired together
                                      G
I thought we d be flying together
                                      G
Thought we d be on fire together
```

But I was sadly mistaken
