

Til You
Alanis Morissette

BPM: 62

Bb **F** **Gm** **Eb**
I ve been wasting time clawing my way to you
Cm **Dm** **Bb** **F**
Taking no prisoners with my romantic crimes
Bb **F** **Gm** **Eb Ebm**
I ve been holding out imaging glimpses of you
Cm **Dm** **Bb** **F**
Holding my breath while you come down the pike

Bb **F** **Gm** **Eb**
Spinning my wheels round
 Cm Dm **Bb F**
I m here dodging bullets til you
Bb **F** **Gm** **Eb**
Ear to the ground
 Cm Dm **Bb F**
I m here dodging bullets til you

I ve been taking notes
Nursing the thought of you
Research and deliver cuz I m biding my time
I ve been holding on this magnet that calls to you
Entertaining myself with these consolation prizes

(CHORUS)

They ve been plenty fun
But mere peace holders to you
They feel the stance card
As you form in my mind

(CHORUS)
